

ARCASN Annual School Report 2013-2014

Name of the School: University of New Brunswick: Fredericton, Moncton, Bathurst

School rep at ARCASN: Kate Weaver

1. Number of new graduates from all programs

BNF 4-yr: 83

BNMON: 36

BNBAT: 13

BNRN: 3

BN-ASP completed in December and can participate in May Encaenia: 39

MN – NP 12

MN- Nurse Educator 14

MN-Thesis/Report 14

2. Accreditation information

We received 7 year accreditation for our curriculum; 5 year accreditation for our program. The 5 year accreditation reflected limitations in human resources.

3. Special projects (e.g. international, nursing education)

Our Aboriginal Nursing Initiative Program received funding again this year to support one student to complete community courses (N4165 and 4175) in the student's home community. An app has been developed to support aboriginal nursing students.

4. New programs

None

5. Full time new employees including names, PhD's, tenure track or contract

The following five term contract positions were hired between May 1, 2013 and April 30, 2014:

- Kimberly Hill, BN RN – start date August 19, 2013
- Kandis Harris, BScN RN – start date August 19, 2013
- Cheyenne Mary, MPH RN – start date August 19, 2013
- Sarah Balcom, MN RN – start date August 19, 2013
- Daphne Kennedy, MN RN – start date January 2, 2014

6. Research contribution

Please see individual faculty pages for areas of teaching and research interest and output
<http://www.unb.ca/fredericton/nursing/people/>
